OBJECTIVE

I am a passionate and results-driven Computer Science undergraduate with a strong command of Java, and mobile app development. Skilled in building RESTful APIs, backend integration with Spring Boot and PostgreSQL, and applying software design principles to deliver efficient technical solutions.

EDUCATION

VIT Bhopal University <i>B.Tech in Computer Science Engineering</i>	Sep 2023 – May 2027 <i>Bhopal, India</i>
Little Angels School, Sonipat <i>Schooling</i>	Apr 2020 – Apr 2023 <i>Sonipat, Haryana</i>

TECHNICAL SKILLS

Programming Languages: Java, Python, SQL,Flutter,Dart
Frameworks & Tools: Spring Boot, Android Studio, Retrofit,Firebase
Database Management: PostgreSQL
Software Development: Backend API Development, CRUD Operations
Operating Systems: Windows

PROJECTS

E-Connect12 – Institution Management <i>Role: Android Developer</i>	2025 <i>Group Project</i>
– Efficiency: Built an app to manage teacher tasks like attendance and homework, enhancing classroom efficiency. – Parental Access: Enabled parents to view assignments and attendance, improving communication. – Tech Stack: Designed frontend in Android Studio and integrated Firebase for real-time sync and auth.	
HVMessenger – Basic Chatting App <i>Role: App Developer</i>	2025 <i>Solo Project</i>
– Functionality: This app uses email and password login along with creating new account and showing registerd users to whom we can chat.All messages are stored in firebase account – Design: UI designed in XML and Java focusing on simplicity and user-friendliness.	
Entry Ticket – Visitor Management <i>Role: App Developer(Cross Native)</i>	2025 <i>Solo Project</i>
– Functionality: This is my flutter project where there will be virtual entry. The visitor can generate there entry QR code or guard can also generate the qr which will be valid for specific time. This qr can be scanned by any of the guard in the particular block as the visitor and can be used as an entry ticket. – Design: UI designed in Flutter via dart.	

EXPERIENCE

Event Coordinator, Electrical Vehicle Club <i>VIT Bhopal University</i>	Sep 2024 – March 2025
– Leadership: Organized workshops, guest lectures, and technical events. – Management: Handled logistics, sponsorships, and setups.	
Core Member, Andy Haryana Club <i>VIT Bhopal University</i>	Feb 2025 – Present
– Marketing: Led campaigns and outreach efforts. – Teamwork: Collaborated to enhance visibility and engagement.
