Professional Summary

Backend-focused Computer Science undergraduate skilled in Java, Spring Boot, RESTful APIs, and database-driven systems, seeking a Backend Engineer Internship at Trademarkia to build scalable, reliable server-side applications following clean architecture and performance best practices.

Education

B.Tech in Computer Science Engineering
September 2023 – May 2027

VIT Bhopal University
CGPA: 8.82

Schooling (CBSE)
April 2019 – April 2023

Little Angels School, Sonipat
Class X: 95.2% Class XII: 92%

Technical Skills

Languages: Java, Python, SQL, Dart
Databases: PostgreSQL, Firebase
Problem Solving: Data Structures and Algorithms

Backend: Spring Boot, REST APIs, CRUD, Authentication
Mobile: Android (Java, XML), Flutter
Tools: Git, Android Studio, Retrofit

Projects

Econnect12 – Student Management System
Android App + Spring Boot + PostgreSQL

2024 – 2025
Role: Full-Stack Developer 📱

Built a backend-centric student management system using Spring Boot and PostgreSQL with secure CRUD operations and role-based access. Developed RESTful APIs and integrated them with an Android client via Retrofit, ensuring efficient data flow and optimized database queries.

E-Commerce Application
Flutter + Firebase

2025
Role: App & Backend Developer 📱

Developed a complete e-commerce system with authentication, product catalog, cart, and order management using Firebase backend services. Designed structured data models with real-time database integration.

Cyber Education – Online Learning Platform
Flutter + Firebase

2025
Role: App & Backend Developer 📱

Built an online learning platform with secure authentication, course management, and access control using Firebase. Implemented scalable data models and real-time synchronization.

Experience

Event Coordinator, Electrical Vehicle Club
September 2024 – March 2025

VIT Bhopal University

- Coordinated technical events and workshops on emerging technologies.
- Key organizer for **Advitya**, the university's flagship cultural-technical fest.

Certifications

Android App Development Certification
May 2025 – June 2025

Imarticus Learning
🌟

Azure Data Fundamentals (DP-900)
May 2025 – June 2025

Microsoft
🌟
